EXPERIENCE

- **Computer Teacher | Mahakali Adarsh Secondary School**   *(May '20 - Feb '21)*
  Completed On-the-Job Training (OJT) by teaching computer subjects to grades 6–8 as part of the academic requirement for an Intermediate in Computer Engineering. Delivered lessons on computer fundamentals, MS Office tools, basic programming concepts, and safe internet practices.

EDUCATION

- BCA | Janjyoti Multiple Campus, Mahendranagar, Kanchanpur   *(Nov '21 - Present)*
- Computer Engineering (NEB) | Bhanu Technical Secondary,
  Dodhara Chandani – 1, Kanchanpur   *(Apr '18 – Apr '20)*

ACADEMIC PROJECTS

- **HamroSadhan**   *(Jul '25)*
  This project focuses on developing a Vehicle Rental System that allows users to browse, compare, and rent various vehicles online. The primary objective is to create a cost-effective yet professional solution.

- **ITQuiz**   *(May '24)*
  Developed a web-based quiz application for testing IT knowledge, featuring timed quizzes, instant scoring, category-wise questions, and a user-friendly interface. Built using modern web technologies for smooth performance and interactive experience.
